

2022 Kick-off Ceremony of Make-IT Project

The 2nd International Digital Talents Innovation Skills Competition

Invitation

Happy new Year of 2022!

With the strong efforts from the supportive organization of Germany, China and Russia, the 1st International Digital Talents Innovation Skills Competition has been successfully completed with the award honored to the respective participants teams from 3 countries.

The kick-off Ceremony of the 2nd International Digital Talents Innovation Skills Competition will be held online on January 25th, 2022.

During the kick-off Ceremony, representatives of nominated delegations from Germany, China and Russia will give a keynote speech about digitalization and vocational education. Experts, academia and entrepreneurs will share their opinions and comments about innovation skills in the future.

We sincerely inviting you to join the event, sharing your insights of collaboration, experiencing the great initiative of digitalization in vocational training, witnessing the innovation of international cooperation!

Look forward to seeing you online!
